

## WHAT'S FLOSSUARY ALL ABOUT?

During the month of 'Flossuary' (February), we are encouraging everyone to try cleaning in between their teeth once a day for 28 consecutive days.

We believe that after 28 days you **will feel and see** a difference in your gum health.

Image is for illustration purposes only. Contents of pack may vary depending on stock availability.

## FREE! FLOSSUARY STARTER PACK

Your free Flossuary pack will give you detailed instruction on how to clean between your teeth and guidance on what you can use. There's a 28 day tick sheet to help keep you motivated, as well as some samples of interdental cleaning aids to try.
